Competition start: details coming soon

Beard and moustache experts from the Gold Coast Facial Hair Club will judge each competitor in the three internationally-defined categories. Audiences have their say in voting for their 'festival favourite' and an overall Grand Champion will then be judged. This is serious beard/moustache stuff!

Natural Moustache: A category for purists. This focusses on moustaches au naturel. Styled, yes, but no fancy gels or the like in sight!

Freestyle: Letting their creative and fashion flair run wild, these competitors may use what it takes to style and gel their beards/moustaches into amazing works of facial art.

Natural Full Beard: Similar to Moustaches, however this is the ultimate competition for lovers of facial hair – beards integrated with moustaches, grown and tenderly nurtured to perfection.

What do I get?

Finalists will receive acclaim beyond their wildest dreams, prizes sponsored from Gold Coast Facial Hair Club and a perpetual Trophy for the Grand Champion – something the winner will tell their children and grandchildren about in years to come.
